

Dress Code

The following **Code** has been drawn up to help parents and pupils to understand the School's expectations regarding dress generally. It is not a clothes list, but a set of guidelines as to what is and what is not acceptable in certain areas of doubt.

The main requirement in all respects is for pupils to be smart and well-groomed, with clean clothes and shoes.

Years 7 to 11

1. The word 'standard' means from the School outfitters, a branch of which is situated in the School with the second-hand clothing shop.
2. Some departments, such as the Sciences and Sports, have special requirements about hair, clothes, and jewellery, which they will make clear to their pupils.
3. Tracksuits and games kit should not be worn in non-PE lessons unless prior permission has been given by the games coach or teacher of the lesson.
4. Requirements given here on hair styles and hair colour should be read with the words 'avoidance of extremes of fashion' understood. If you are in any doubt, consult your Housemaster/mistress.
